DESIGN TO FINISH
GENERAL CONTRACTING, INC.

COMPANY OVERVIEW

Design to Finish was conceived from the beginning to develop and manage public and private commercial construction projects. Since then, we have renovated hundreds of thousands of square feet in hospitals, healthcare facilities and general commercial space for clients such as St. Francis Hospital, Revera Health Systems, Berkshire Health, Bank of America, Lia Hyundai, Lia Honda, Y.M.C.A. of Cheshire, State of Connecticut and numerous other clients. Our mission to our customers is the continuous improvement of our ability to meet their needs and exceed their expectations at every opportunity.
